

# Don't be a Victim of one of the many Scams Targeting Seniors!

**DON'T**  
*be a victim*

Being a smart consumer requires having the tools to protect yourself from fraud and abuse. Unfortunately, there are many ways for con artists and other criminals to gain entry into our lives: over the phone, through the internet, sometimes in our own homes.

Please join us for a LIVE Zoom meeting with the Brick Township Police Department as we uncover the latest senior scams. We will discuss stories of victims, tips on how to

spot a scam, ways to avoid becoming a victim, and much more.

Spots are limited. Kindly RVSP by Monday, October 19th, to ensure your place in the virtual meeting and secure your official invitation.

BRICK TOWNSHIP
